Class Descriptions

Pre-School 1:Creative Movement/Tumbling:

Introduces the student to ballet and dance through creative movement. Basic tumbling skills will be taught to help with coordination and balance.

Pre-School 2:Inro. To Ballet/Tumbling:

Builds on the basic steps that were taught in Pre-School 2. Basic tumbling skills will be taught to help with coordination and balance.

Ballet/Tap Combo:

Introduces the student to ballet and tap technique. Using proper ballet terminology and introducing basic tap skills.

Tap/Jazz Combo.:

Tap technique is taught with the use of musicality, rhythm and syncopation. Jazz technique will focus on turns, leaps and flexibility exercises.

AcroDance/Jazz/Ballet Combo.:

Introduces the student to the artistic motion of dance and the athleticism of acrobatics. This is not a gymnastics class. The acro portion will help the student with flexibility, balance and coordination to supplement their dance technique. Equipment will be used to help the student with basic acro skills. Jazz portion and ballet will utilize the genre's technique to further their dance education.

Contemporary.: Formerly known as lyrical

This is a style of expressive dance that combines elements of several dance genres including modern, jazz, lyrical and classical ballet. Contemporary dancers strive to connect the mind and the body through fluid dance movements.

Classical Ballet/Flexibility

Classical ballet technique is introduced to the student through the use of barre and center exercises. Flexibility and strength will be incorporated into the class to help with the fluidity of the movement.

Pointe: Invite Only

This class is invite only. An extension of classical ballet technique for the advanced ballet student only.

Hip Hop

Refers to street dance styles primarily performed to hip-hop music or that have evolved as part of hip-hop culture.
